How to submit an application for a call for proposals on the Université de Lyon platform
Table of contents

- Connect to the platform:
  - If you have an email address from a university/institution member of the Université de Lyon
  - If you have an email address from a university/institution outside of the Université de Lyon perimeter
- Create an application
- Modify an application
- Submit an application
Connect to the platform - Université de Lyon member (1/1)

- If you come from a university or an institution member of the Université de Lyon and use the related email address:
  1. Click on « Please select your organization »
  2. Enter your email address and select your university/institution
  3. Click on « Continue »
  4. On the Authentification web page of your university/institution enter your id and password and click on log in

16/01/2018
Connect to the platform - Non Université de Lyon member (1/2)

- If you come from a university/institution outside the Université de Lyon perimeter, you have to create an account by following this link: Create your account

On the webpage:
- Fill in the form
- Click on the « I'm not a robot » checkbox test (spam protection)
- Click on registration
- Your registration is submitted

The login and password you have created will be required for the log in on the platform
Connect to the platform - Non Université de Lyon member (2/2)

- Once your account is created, you can log in on the platform following these steps:
  1. Click on « Please select your organization »
  2. Enter your login (the same used for your registration)
  3. Click on « Utiliser un compte local »
  4. Enter your password
  5. Click on « Log in »
Create an application (1/2)

- Click on the link published on the institutional site: you will be directed to the Call for proposal information page.

- Click «Create an application».
- Fill in the form.
- Validate by clicking on «Create»: you will receive a confirmation email.
Create an application (2/2)

- Your application is then «Unsubmitted », you can still modify it.
Modify an application

- Click on the link in the received email: you will be directed to the page of your project.
- Click on the tab «Edit» and modify the registered information.
Submit an application (1/2)

- Click on « Submit the application » : you will receive a confirmation email.
Submit an application (2/2)

- Once your project is submitted, you are not allowed to modify it anymore.
- If you need to make modifications after having submitted, you may contact the management team at the following address: pia@universite-lyon.fr

Additionally, the application form for Project 1 is displayed:

- Project title: Projet 1
- Project description:
- Project leader last name:
